AITEX, Notified Body No 0161 for the application of Directive 89/686/EEC of 21st December 1989 (O.G.E.C. of 30.12.1989), Royal Decree 1407/1992 of 20th November, in which the minimum requirements that Personal Protective Equipment (PPE) must comply with are set forth.

CERTIFIES:

The Company: Tarasafe International Pvt. Ltd.
Budge Budge Trunk Road, P.O. Govindapur, P.S.Maheshtala
IN-700141 KOLKATA WEST BENGAL PRESIDENCY

Has obtained **EC TYPE EXAMINATION INSPECTION CERTIFICATION**, in compliance with what is stated in Directive 89/686/EEC and in agreement with the applicable test procedures according to standards *EN 340:2003* and *EN ISO 13688:2013* general requirements, *EN ISO 11612:2015* against thermal risks of limited flame spread (A1), convective heat (B1), radiant heat (C1) and contact heat (F1), *EN 1149-5:2008* against the risk of accumulation of electrostatic loads according the standard *EN 1149-3:2004*, *IEC 61482-2:2009* against the risk of burn provoked by an electrical arch of 4kA (Class 1) according the standard *EN 61482-1-2:2014*, having attained the levels of provision specified in **TEST TECHNICAL REPORT N°2016ID0021CE** and in **PPE'S TECHNICAL DOCUMENTATION**.

Said certification is valid for the following articles:

PPE TYPE “TARAKNITS MA CINCO 250 IL FRESCO POLO T-SHIRT” destined to the protection of the torso and superior limbs of the user, with the exception of head and hands, against thermal risks of limited flame spread, convective heat, radiant heat and contact heat, against static charge accumulation and against the risk of burn provoked by an electrical arch of 4kA (Class 1).

Manufactured by: Tarasafe International Pvt. Ltd.

PPE DESCRIPTION:

A long-sleeved garment in blue knitted fabric comprising front and rear assemblies, sleeves and a collar. The front assembly is a single piece and joined to the rear assembly at the shoulder and side seams, the collar at the neckline and to the arms at the armholes. The centre of the front has an opening starting at the base of the collar and measuring 13 cm in length and fastened with three navy blue acetate buttons affixed to the right-hand side and their corresponding buttonholes in the left-hand side. The rear assembly is a single piece and joined to the front assembly at the shoulder and side seams. The long sleeves are navy blue and end in a cuff made from an interior backstitched hem. The shirt-type collar is made in navy knitted fabric and fastens with the three buttons mentioned previously. There is a garment size label on the rear collar seam. The garment ends in an interior backstitched hem.

The following variant has been presented:

- It can be manufactured in all the colours included in the range Certified by Oeko-Tex.

The materials that form the PPE, are described in the test technical report n° 2016ID0021CE

It shall be the manufacturer's sole responsibility to furnish specific information pertaining to this certificate and the tested levels of protection.

PPE's CAT. III shall be submitted to control tests according to the Art. 11 of the Directive 89/686/EEC.
